Town of Middleborough Seeking Donations to Support Hometown Heroes Project

Now Accepting Banner Applications

MIDDLEBOROUGH – Town Manager James McGrail and Veterans Services Officer Stephen Adelman are pleased to announce that the Town of Middleborough is actively seeking donations to benefit the Middleborough Hometown Heroes Project.

Hometown Heroes is a project that has spread in popularity throughout towns and cities across the U.S. with the goal of recognizing, honoring and paying tribute to local military service personnel. [The Middleborough Hometown Heroes Project](#) will highlight local veterans by sharing their names and photos on banners throughout town. The Town of Middleborough plans to display 40-45 banners yearly from May 15 through Nov. 15.
